They are also in need of volunteers!

It's that time of year again!

Donations and **memorials** are needed for our Operation Christmas Child boxes. We have decided to repeat our method from last year and make a limited number of boxes with the same things in each box. UMW will help by using donations and buying the things we need. We then will choose a day to assemble and fill the boxes. We will use any leftover donations to buy online items from the Samaritan's Purse catalog. Thanking you in advance for your donations and memorials!
